Personal item

Hand luggage

Liquids rule

- ✓ Volume of one container – up to 100 ml
- ✓ All liquids must fit into a 1-liter transparent zip-lock bag
- ✓ The bag is provided separately during security screening.

In hand luggage, it is recommended to carry

Passport and travel documents

Phone and chargers

Laptop

Tablet

Power bank (only in hand luggage)

Medications

Glasses

Valuable items

It is not recommended to carry

Liquids larger than 100 ml

Sharp objects

Flammable substances

Gas canisters

Other prohibited items

Before going to the airport

- ☐ Check your ticket fare.
- ☐ Weigh your hand luggage.
- ☐ Measure your suitcase.
- ☐ Keep electronics in an easily accessible place.
- ☐ Put liquids in a transparent bag.

Good to know

The cheapest fares often only allow you to carry one personal item.

Baggage rules may vary depending on the route and fare purchased.

Always check the baggage allowance stated in your reservation before traveling.

Travel smart. Pack right. Have a safe trip!
